My topic this week: *Shopping with mother?*
I’m Julie and I’m fifteen. Welcome to my blog!
Have you ever been shopping with your mother? I’d like to hear you say ‘Yes, and it was fun.’ But are you really telling the truth? I went to the shopping centre with my mum yesterday. She wanted to buy me a dress for her birthday party. She’s going to be fifty next weekend.
My mother always wants to buy me what she wants, not what I want. And we want very different things. I tried on a beautiful red dress, but she said it didn’t fit. (It was very short!) Then, I tried on a long skirt. But she didn’t like the colour. (It was purple!) I was in and out of changing rooms all day and we couldn’t agree on anything. She disliked everything I tried on. It was so depressing. And so boring. By five o’clock my feet were killing me and I still didn’t have a dress for the party.
Next time Mum wants to take me shopping, I’m going to tell her my room is a terrible mess and I have to tidy it. I know it’s not very nice to lie, but shopping with my mother is not fun for me. And, I’ve just seen a fantastic dress on eBay. It’s so chic. I’m going to look amazing at Mum’s party.

Task A: Circle *T* for true or *F* for false.

- 1 The article is about the pleasures of shopping with your mother.
- 2 Julie writes her blog every week.
- 3 Julie and her mum agreed on everything.
